Local Dentist Earns Fellowship in National Academy

Chicago, IL – At the American Academy of Implant Dentistry's 2013 Annual Meeting, which was held in Phoenix, Arizona, October 23 – 26. Trinh Lee of Mountain View, CA was recognized as a Fellow of the American Academy of Implant Dentistry. As one of 272 dentists who hold this distinguished membership, Dr. Lee is one of the nation's leading experts in implant care. Dr. Lee maintains a dental practice in Mountain View, California.

To qualify for Fellowship, Dr. Lee was required to document for review by an expert panel of dentists that she was a Diplomate of the American Board of Oral Implantology/Implant Dentistry, the certifying board that the Academy sponsors, and provides both the surgical and restorative phases of implant treatment. In addition, the panel reviewed Dr. Lee's professional and leadership credentials and her commitment to excellence in implant dental practice and to the Academy's standards for ethics and patient welfare.

The American Academy of Implant Dentistry is the oldest professional organization in the United States that is dedicated to the advancement of the implant field. Its more than 4,300 members include general dentists, oral and maxillofacial surgeons, periodontists, and prosthodontists. The Academy's Associate Fellow and Fellow credentials are a testament to excellence in implant dentistry.
